total runs scored minus runs allowed is the first tiebreaker, if you can seed all tied teams using this tiebreaker then seed all places. If you can't use it to seed all of the tied places then if someone is still tied then use least runs given up as the second tie breaker but only to break that tie, once you get that tie broke start over If they are still tied after these methods then used runs scored as a third tiebreaker, if still tied use coin flip
