## Seeding will be:

If two tied-head to head, if 3 tied then run differential between only the 3 tied teams until you get one team isolated at that point default again to the head to head anytime you can isolate two teams.

If run differential still leaves all 3 tied then, use least runs given up to isolate one team(could be 1st or 3rd), then once you are down to two teams use the head to head again and any other time you can isolate two teams
